LED HANDHELD LIGHTS

LED HANDHELD LIGHTS

Southwire is proud to introduce a line of new rechargeable Handheld Lights, made with the professional in mind! These two new models come full of rich features to light up your site and make your job easier. Each model comes with a 360° pivoting head, magnetic base, hang-hook and more, making these your new job site favorites! Both come with constant light output for the entire life of the charge, 3-year warranty, chargers and carriers.

- **MAGNETIC BASE** allows you to stick your light to any magnetic surface to free up your hands
- **CONSTANT CURRENT:** Brightness stays constant and does not dim over time
- **SETTING MEMORY:** Reduces the number of button presses to get to the setting you want. After leaving the light on a setting for more than a few seconds, the next button press will turn the light off, and when the light is turned on again it will go back to the previous setting.
- **CARRY POUCH:** Keep your light with you using the included case with belt clip

SL20RSW

- **FOUR LIGHT MODES:** 3 Front (50/100/200 lumens) and 1 Spot (100 lumens) allowing you to adjust to your desired level
- **LONG LASTING BATTERY LIFE** up to 10 hours of runtime. Charger included

SL50RSW

- **FOUR LIGHT MODES:** 3 Front (100/250/500 lm) and 1 Spot (100 lm) allowing you to adjust to your desired need
- **LONG LASTING BATTERY LIFE** up to 12.5 hours of runtime. Charger included

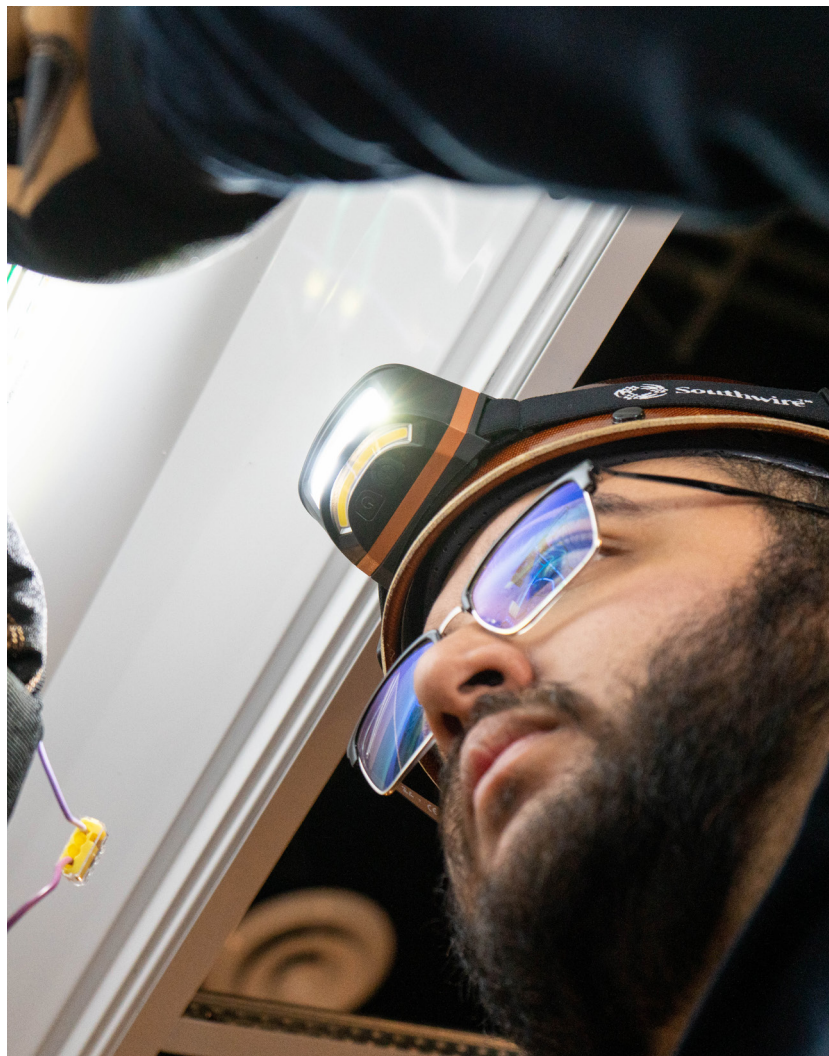

SL20RSW

LED RECHARGEABLE HEAD LAMPS

LED RECHARGEABLE HEAD LAMPS

Southwire's Rechargeable Head Lamps come in 120 and 250 lumen options with tons of job site features you'll love! Both models include detachable and mountable magnetic heads to stick to electrical boxes, support beams or any metal surface where you need some extra light. Both feature constant light output for the entire life of the charge, and come with 3 year warranty and chargers.

HL12RSW

- **TWO LIGHT MODES:** (60/120 lumens) Flood light for even task lighting
- 120° Wide beam Angle
- **LONG LASTING BATTERY LIFE** up to 5 hours of runtime. Charger included

HL12RSW

HL25RSW

- **FIVE LIGHT MODES:** 3 flood (75/150/250 lumens), 1 spot (150 lumens) and 2 downward (60/120) make sure you can put the light where you need it
- **MOTION SENSING MODE:** When activated, simply swipe your hand in front of your head light to turn the flood and spotlight on/off. This is great for when you don't have a clean hand available, but you need more light.
- **HARD HAT CLIP:** Securely attach the head lamp to your hard had with the 2 provided clips
- **LONG LASTING BATTERY LIFE** up to 8 hours of runtime. Charger included

HL25RSW
