

RESIDENTIAL ROOF ATTACHMENTS

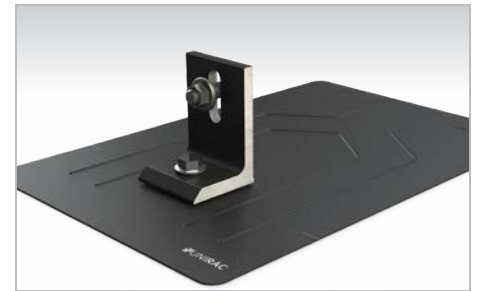

FOR SOLARMOUNT

UNIRAC has a full lineup of residential roof attachments which are designed to integrate with our **SOLARMOUNT** mounting system. Full integration between the mounting system and the attachment allow for seamless design and fast, easy installations. To be 100% sure you get every install 100% perfect, insist that your entire system is 100% Unirac from the flashing up!

COMPOSITION SHINGLE: **FLASHKIT PRO**

FLASHKIT PRO is the complete attachment solution for composition shingle roofs. Featuring rigid flashings and UNIRAC's patented **SHED & SEAL** technology, a weatherproof system which provides the ultimate protection against roof leaks. Flashings and hardware are available in Mill or Dark finishes and kitted in 10 packs for maximum convenience.

TILE REPLACEMENT: **FLASHKIT TR**

FLASHKIT TR is the complete tile replacement solution for tile roofs. UNIRAC combines convenience and performance in one package. 3x3 versatility gives you the options to tackle any tile project: a strong Universal Base with three tile height configurations, three flashing profiles to match your tile shape, and three color options to match your project roof. Plus, UNIRAC's patented **SHED & SEAL** technology provides the ultimate protection against roof leaks. Kitted in 10 packs for maximum convenience.

TILEHOOKS: PRO SERIES **SOLARHOOKS**

Pro Series **SOLARHOOKS** is a complete line of attachment solutions for tile roofs. Featuring UNIRAC's exclusive **POWERARCH** technology which increases strength by up 60% more than traditional tile hooks for better spans and to prevent cracked tiles during high winds, **SOLARHOOKS** has profiles for any challenge, from universal hooks to shapes for flat, Spanish, W and stone coated metal tile roofs. The bead blasted steel finish and included stainless steel lag bolts ensure long term peace of mind.

EVERYTHING YOU NEED FOR A QUICK, PROFESSIONAL INSTALLATION
