- Maintenance Free
- Folds into carrying case for easy transport
- No installation or mounting required
- 25 year solar panel warranty

Carrying Case

### Why Choose a Go Power System?

The rugged durability of our solar panels guarantee you'll generate solar power everywhere you go. Our Portable Solar Kits allow you to park in the shade while your kit sits in the sun to charge your batteries.

The **GP-PSK-80/120** have a built-in PWM solar controller that prevents your batteries from overcharging. Each kit features adjustable folding legs, 15' of cable, battery clamps, quick connect cable and a heavy duty carrying case. Ideal for campers, pop-up trailers and boats.
