Blendtron Wire Tray System – Inside Corner Accessory (90°)

- **Product Overview**

- The Blendtron Wall Tray is designed to enhance cable management. It Offers a clean, organized, and aesthetically pleasing solution for managing wires in various installations. The inside corner (90°) allows the tray to be installed around corners.

- **Key Features and Benefits**

- UL/Intertek certified.
- Made from high-quality, powder coated, 16ga steel.
- Simple and quick to install, saving time.
- Serviceability is easier due to the open platform.
- Enhances safety by organizing and securing cables, reducing the risk of accidents.
- Improved Aesthetics versus the appearance of multiple pieces of conduit

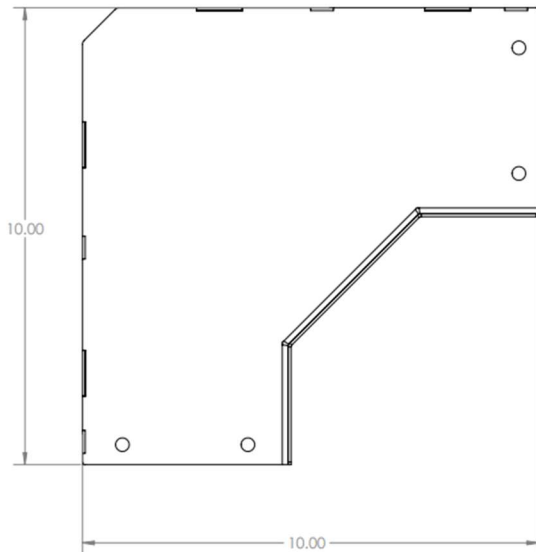

- **Specifications**
