### Blendtron Wire Tray System – Outside Corner Accessory (90°)

- **Product Overview**
  - The Blendtron Wall Tray is designed to enhance cable management. It Offers a clean, organized, and aesthetically pleasing solution for managing wires in various installations. The outside corner (90°) allows the tray to be installed around corners.
- **Key Features and Benefits**
  - UL/Intertek certified.
  - Made from high-quality, powder coated, 16ga steel.
  - Simple and quick to install, saving time.
  - Serviceability is easier due to the open platform.
  - Enhances safety by organizing and securing cables, reducing the risk of accidents.
  - Improved Aesthetics versus the appearance of multiple pieces of conduit.
