

# BLENDTRON

## WTRR50-10

3/25

### Blendtron Wire Tray System *Development Date Mar 2025*

- **Product Overview**

- The Blendtron Wire Tray System is designed to enhance cable management. It Offers a clean, organized, and aesthetically pleasing solution for managing wires in various installations.

- **Key Features and Benefits**

- Type 1 Enclosure CSA/UL/Intertek certified. Conforms to UL STD 50 Intertek 5028822
- Made from high-quality, powder coated, 16ga steel.
- Simple and quick to install, saving time.
- Serviceability is easier due to the open platform.
- Enhances safety by organizing and securing cables, reducing the risk of accidents.
- Improved Aesthetics versus the appearance of multiple pieces of conduit.

**Legacy WTR15 replacement. Changes include end cap and splice screw direction reversed. Screws can now be attached from the front instead of back. Note, this unit will not mate with legacy model WTR15.**

for L. Matthew Snyder, Certification Manager

This document supersedes all previous Authorizations to Mark for the noted Report Number.

This Authorization to Mark is for the exclusive use of Intertek's Client and is provided pursuant to the Certification agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Authorization to Mark. Only the Client is authorized to permit copying or distribution of this Authorization to Mark and then only in its entirety. Use of Intertek's Certification mark is restricted to the conditions laid out in the agreement and in this Authorization to Mark. Any further use of the Intertek name for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow up Services are for the purpose of assuring appropriate usage of the Certification mark in accordance with the agreement, they are not for the purposes of production quality control and do not relieve the Client of their obligations in this respect.
